EDUCATION

Fall 2011

Bachelor of Science in Web Design and Development
Full Sail University - Orlando, FL

Standards-based education covering both frontend and backend development, in addition to mobile and desktop design principles.

Fall 2008

Partial Classes in Business Administration
University of North Carolina at Charlotte - Charlotte, NC

Business-centric classes focusing on all facets of entrepreneurship and business management. Opted to discontinue classes in favor of attending Full Sail University.

Spring 2007

High School Diploma
A.C. Reynolds High School - Asheville, NC

General education classes, with various business-centric classes.

EXPERIENCE

Avalux
Fall 2011 - Fall 2012
Spring 2014

Founder, Lead Developer and Designer - Orlando, FL

Founded a web design and development business, with clients such as Harley Davidson Boots and Barilla America. Focused on backend development; mainly PHP and MySQL. Often used Photoshop for user interface design purposes.

Self Employed
Fall 2006 -

Freelance Web Designer and Developer - Asheville, NC / Orlando, FL

Slowly started out tweaking Wordpress sites, then moved on to creating custom templates. With the aid of online resources, and eventually Full Sail University, I honed in my design and development skills, finding a passion for PHP, jQuery, and UX design. During this period, I had the opportunity to work with small businesses, political pundits, and non-profits. Additionally, I have been hired by various startups to design splash pages and assorted user interface elements.

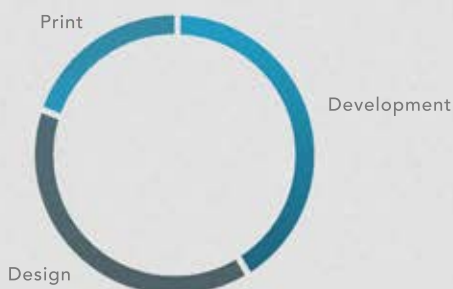

Circuit City
Fall 2006 - Fall 2007

Computer Department Manager - Asheville, NC

Oversaw daily department operations, developed planograms, led employee sales initiatives, and presented presentations to senior management officials.
